COMMERCE LAB

The most Remarkable and innovative initiative of the department in this academic year was the establishment of commerce lab. The objective of having the lab set up for commerce students is to give hands on experience in various aspects related to trade and industry. The lab has 5 nodes with WiFi connection and a LED TV too. The lab gives training to students on stock trading, access to video lectures and exposure to commercial documents like bills of exchange, minutes of meetings of companies, trade instruments etc .
