About the College

Patrician College of Arts and Science, established in 2001, is a Christian minority co-educational self-financing institution affiliated to the University of Madras. It was instituted by the Brothers of St. Patrick, a congregation established by Bishop Daniel Delany on 2nd February 1808, in Ireland. The members of the congregation carry inspiration from the life and spirit of their Patron Saint – St. Patrick. With a noble spirit to serve humanity, the Patrician Brothers stepped into the vocation of educating the youth to free them from the bonds of ignorance. With their exceptional skill in leadership, governance and the strong hand of the Almighty, the congregation has established schools & colleges throughout the world.

In consonance with the philosophy of Brothers' congregation, the college aims at providing quality education to the youth of today with utmost sincerity. To facilitate this, the Management has been keen in building the college with qualified teachers, pooling in resources from different platforms, and providing state-of-the-art infrastructural facilities. Moreover, the College backs up students with a number of support services on and off campus. Along with curricular and co-curricular activities, the College constantly promotes a sense of social consciousness in the minds of students. In view of this, several outreach programmes are conducted wherein students enthusiastically

Patrician College has been consistently evaluated and accredited by the National Assessment and Accreditation Council (NAAC), reflecting its commitment to quality education and continuous improvement. The College received its first NAAC accreditation in 2015 (Cycle I) and was awarded an 'A' Grade with a CGPA of 3.12. In its second cycle of accreditation in 2021 (Cycle II), Patrician College achieved an upgraded 'A+' Grade with an improved CGPA of 3.42, demonstrating significant progress in academic and institutional performance.

From the Officials' Desks

At Patrician College of Arts & Science, we believe that education is about helping young people grow into confident professionals and well-rounded individuals. Alongside strong academic programs, our campus offers modern classrooms, well-equipped laboratories, and a rich library that make learning engaging and practical. Every student is supported through a close mentoring system that listens, guides, and walks with them throughout their academic journey. We encourage students to explore their talents through clubs, extension activities, and community engagement, helping them discover purpose beyond the classroom. With a strong focus on industry readiness, we provide skill training, internships, industry exposure, and certification courses that prepare students for the real world. Career guidance, soft skills training, job fairs, and campus placements ensure that our students are confident and employable. We also offer scholarships and financial support so that no deserving student is held back. Life at Patrician is lively and welcoming, filled with cultural events, sports, friendships, and shared experiences. Here, students learn to face challenges with resilience, values, and clarity. We warmly invite students to join Patrician College for the academic year 2026–2027 and begin a meaningful journey of learning and growth.

Bro. Ramesh Amalanathan
Director and Secretary

Dr. Fatima Vasanth
Academic Director

The priority of education at Patrician College is to build competency and leadership in individuals. The College is strongly committed to provide opportunities to discover unique potentials and facilitate the individual to blossom into fully-fledged human beings. As Aristotle states “Educating the mind without educating the heart is no education at all”. We believe strongly in transforming the young minds to have a critical understanding of the environment and become empathetic and proactive to respond to any situations. No effort is spared in providing a conducive environment which nurtures holistic development and provides personal care to every individual who is entrusted to us. We wish you to explore our prospectus and make the right choice on the career you would like to pursue. We wish you happy learning with us. Once a Patrician is always a Patrician. Join the Journey with us for a successful tomorrow.

As you choose Patrician College of Arts and Science to pursue higher education, we are proud to share that the core essence of the spirit of Patrician is to be value-oriented, inclusive and liberal, which is the driving force behind curricular, co-curricular and extra-curricular activities. The vision of the college is to progress towards being a centre of excellence addressing the challenges of diverse sections of society by empowering all stakeholders. The challenges faced by students in the process of striking a delicate balance between academic pursuits and community service are made surmountable by a well-organised student support service system. The management is keen to prevent financial crisis from becoming a major hurdle by facilitating scholarships through private and government agencies. Also, being aware that a sense of anxiety and insecurity may be crippling, academic and personal mentoring services are provided for all students. All these and many other support services provide a cushion for the students to attain holistic development. Join us to have an evolutionary and organic growth!

Dr. Arokiamary Geetha Rufus
Principal

Motto

To Seek, To Strive, To Find

Vision

Patrician College will continue to progress towards being a Centre of Excellence addressing the challenges of diverse sections of society by empowering all to adapt to the new normal.

Mission

To ensure quality education by augmenting professional and relational competencies for innovation, entrepreneurship and capability enhancement of students. To strengthen networking and collaborations in research, consultancy, and extension domains at regional, national and global levels. To facilitate holistic development of students to be resilient, sensitive and socially responsible citizens with right values and ethics.

Core Values

- Innovation
- Entrepreneurship
- Capability Enhancement
- Networking and collaborations extension
- Building socially responsible citizens

Academic Programmes

The college is affiliated to the University of Madras and follows a flexible curriculum prescribed by the University under the Choice Based Credit System (CBCS). Undergraduate programmes are of three years' duration, while postgraduate programmes extend over two years. Each academic year is divided into two semesters, and the duration of each semester is 15 weeks.
