SUPERHERO-2018, A MOTIVATIONAL PROGRAM BY F5

The F5 team performing for the students

The SUPERHERO- 2018 is a motivational program conducted by a young team called the F5. This program took place in the Patrician College of Arts and Science. It was the Women's Club in the College that took the initiative to conduct this meet to encourage and motivate the students. The event was started off by introducing the team members of the F5 team. The founder of the team is Jerry, who is working in a corporate company in Bangalore. The other important person in the team was Micheal, who was also working in a corporate company in Chennai.

Jerry later on starts off by explaining the meaning and purpose of the F5 team. He introduced his team members that there are more than 30 people in his team who are driven by the enthusiasm to encourage the students in both schools and colleges to face truth as it is and fight towards success. Most of the members in the team are youngsters and all of them are from different places from India. They are all working and have taken an initiative to work towards this cause without any donations or personal gains. This F5, movement to refresh is a relatively recent team that was started in the year 2015. Their main aim and focus is to attract the attention of the students in schools and colleges. Through mimes skits they created awareness that show the common problems they have faced .

They start off by singing a song. Then he goes on by explaining the various kinds of problems that youngsters are facing between the age of 13-30. Some of them are substance abuse, peer pressure, identity crisis, low self-esteem, broken homes, relationships and bullying. Later they enacted a skit to show how youngsters suffer a great deal by taking the wrong decisions or by being, lead in a wrong route by their friends. Mr. Karthick, one of the other member's in the team takes the stage next to narrate how his life took so many unexpected turns to reach where he is today. He talks about his life and how he was addicted to both smoking and drinking alcohol for a very long time, even from his college days.

He talks about all the ups and downs in his life and how he learns new things and finds where his interest lies. Today he feels happy for pushing himself through those rough roads, he explained. After which Micheal takes the stage to talk a few words about his personal life and how he chose to push himself hard enough to reach success. Micheal further introduces everyone

with pluck cars that read what they were in there pass, example, lonely, failure and low self-esteem. Etc. Later all of them turn the pluck cards around to show what they are now, because they chose to motivate and encourage themselves, example, musicians, brave, strong and cool. Etc. Micheal, later in the end explains that they want to help the students and youngsters in there confused stage and motivate them just as they did to face life with all its challenges and run towards success. Finally the vote of thanks was given by Ms. Himana, and the guests from the F5 team were horned with momentous.

DIRECTOR DISCUSSION

The Department of Journalism along with the Departments of Visual Media and Electronic Media organized a special event 'discussion with director' on 12.10.2018 at our college auditorium. On that day the successful film director Lenin Bharathi has participated in this program, who is the director of "MERKKU THODARCHI MALAI" Tamil movie. It made remarkable impact on audience along with Tamil audience and Tamil film industry also.

Lenin Bharathi answering the student's questions

Lenin Bharathi delivered a touching speech about the state of Tamil cinema and its responsibility. He pointed out the current blenders of Tamil cinema.

He said "cinema speaks with every common audience very closely therefore it has to be loyal, gentle and it should speak social responsibility. It should not be entertainment and time pass- companion it has to educate and reflect the state of society." Students asked questions and opinion from their perception of what they had listened.

He answered them and explained the struggles in film making and screening. He encouraged the students to aspire to become film makers and develop innovative thoughts.

LIGHT & ART

CHIMERA ASSOCIATION of the Center of Media Studies has organized an Art exhibition and inter collegiate competition named LIGHT & ART on 22nd and 23rd of February 2019.
