- Cover a business news from around the globe.
- Include the launch of new products in the market, mergers and acquisitions of companies, economic ups and downs.

CIVIC JOURNALISM

- Make use of the democratic right against that is freedom of speech
- Citizens are involved in gathering news wherein their speak out their problems and give opinions.

CRIME JOURNALISM

- People are always eager to know about crimes taking place, with all the possible and accurate details.
- This beat needs extensive investigation and networking to get all the facts true.
- Consists of violence, revenge, greed and major issues like corruption, drugs and so on.

FASHION JOURNALISM

- This field is for people who has stack of Cosmopolitan and Vogue under their pillow.
- Main job is to keep a main track of the latest trends in the fashion world.
- Interview of models, designers, and covering fashion shows are also a part of their work.

FOOD JOURNALISM

- People love to try new things, especially when it comes to food
- Food writing is not only about different recipes or reviews of restaurants, but it includes history and culture of various cuisines.

SPORTS JOURNALISM

- Covering a sports event, sports person or entire series.
- As a sports journalist, one can enjoy series of added advantages.
- Not only do you have your own set of audience to follow the sports but also to get physically present at most of the events for those inserted in broadcasting and media and are passionate about sports, this could be a great alternative.

TRAVEL JOURNALISM

- With a chance to roam all around the globe this is truly a great career alternative
- One is required to compile information regarding a particular destination.
- This includes detailed description of the place its tourist attractions, accommodation facilities, eateries of other details.

AGRICULTURAL JOURNALISM

- This branch is growing at a fast pace in the past few years.
- It gives details related to agriculture field.
- It consists of hybrid seeds, technology development in the same field, climate changes, irrigation facilities, government subsidies for farmers etc.

DEFENCE JOURNALISM

- This is all about what is happening with country's military forces.
- Includes the updates on various defense equipment that have been introduced by the army
- Defense force of a country play on important role in maintaining international relations. So journalism need to gather a lot of information on the same.
